HELLO, FUTURE RESIDENT

On behalf of everyone here at the Town of Ridgeland
We would like to welcome you to our area and say thank you for your decision on choosing Ridgeland as your new home!

AUTHENTIC LOWCOUNTRY

Our town is known for its natural beauty, lowcountry culture, historic monuments and attractions, which impress residents and visitors alike. But what makes this town so special, is our strong sense of community and preservation of our rural character.

The town of Ridgeland is nestled right off of interstate 95 and is conveniently located near the cities of Hilton Head, Savannah, Charleston and Beaufort. Ridgeland is situated between major waterways, where all types of adventures and outdoor activities are available. Play a round of golf at Sgt. Jasper, ride your bike through town, and experience everything a small town has to offer. Experience our culture with a walk through the Morris Center for Lowcountry Heritage located downtown as exhibits come to life and gain appreciation of our unique way of life.

The town is an ideal location for individuals, families, and businesses, as our residents and visitors experience competitive quality of life,

a vibrant local economy, and community engagement.

I understand moving is sometimes a scary moment. I was just there, wondering where to live, how the culture and community responds to outsiders, what is there to do around here? But I assure you, just take a weekend to come down and see it for yourself. Take a walk down Main Street and talk to the residents and business owners. Take a drive in your car down through the avenues of oaks to look at the pristine rivers, historic houses, farms, monuments and scenery. You will begin to imagine that Ridgeland is home and there is no better place to be. Because home is where your heart is!

Best wishes,

Joshua T. Rowland

5 Historic, Down to our Roots

Thomas Heyward, Jr. (July 28, 1746 – March 6, 1809)

Experience more *"Worth the Trip"* memories today!

was a signer of the United States Declaration of Independence as a representative of South Carolina. He was born in St. Luke's Parish, South Carolina and educated at home. He was elected to the Continental Congress in 1775 and signed the Declaration of Independence in 1776.

Heyward returned to South Carolina in 1778 to serve as a judge. Thomas Heyward is entombed near the Old House community in Ridgeland.

The **Battle of Honey Hill** was the third battle of Sherman's March to the Sea, fought November 30, 1864, during the American Civil War. It did not involve Major General William T. Sherman's main force, marching from Atlanta, Georgia, to Savannah, but was a failed Union Army expedition under Maj. Gen. John P. Hatch that attempted to cut off the Charleston and Savannah Railroad in support of Sherman's projected arrival in Savannah. The expedition maps and guides proved wore of regulars and militia, under Col. Charles J. Colcock, with a battery of seven guns across the road. Determined attacks were launched by U.S. Colored Troops (including the 54 th Massachusetts), but the position of the Federal force was such that only one section of artillery could be used at a time, and the Confederates were too well entrenched to be dislodged. Fighting kept up until dark when

Hatch, realizing the impossibility of successfully attacking or turning the flank of the enemy, withdrew to his transports at Boyd's Neck, having lost 89 men killed, 629 wounded, and 28 missing. The Confederate casualties amounted to 8 killed and 39 wounded. 1st Lt. O.W. Bennett was awarded the Medal of Honor. The battlefield is within the town limits of Ridgeland and is preserved as a park with interpretive trails to get the full experience.

6 Ridgeland—Claude Dean Airport Expansion

In partnership with Jasper County, the FAA, and the SCAC the project will include a new 4,200-foot runway while converting the existing runway into a taxiway. The extended runway will allow for larger planes and/or helicopters to land which will allow business planes to land as well as cater to private aviation enthusiasts.

7 Public Safety is Our Commitment to You

The town of Ridgeland's Public Safety is paramount to the surrounding area. The Fire Department maintains a low ISO Rating—critical for your business as well as your homeowner insurance rates. The Ridgeland Police Department also ensures that our citizens are safe and secure.

8 A Real Sense of Community

Experience our Downtown Farmer's Market on Fridays and Saturdays, with farmers that provide our residents and visitors with fresh local produce, etc. The Town offers multiple opportunities to connect with neighbors and friends.

9 Downtown

Imagine walking, riding a bike or driving down Main Street into the heart of downtown with palm trees lining the streets. You can shop for furniture, antiques, collectibles, accessories and clothing. Or sit down and have lunch or dinner. Or fill your prescription and buy groceries. Or have your car serviced while you shop. While we may not have everything, you may be surprised to find we have more than you expect.

10 SEE IT FOR YOURSELF!

Ridgeland is one of the last remaining authentic lowcountry towns left. And we're proud of that. Take a weekend trip and come out to see it all for yourself. The Town of Ridgeland is a unique blend of past, present and future; or unique, lowcountry heritage, geography and rural character sets us apart from over-developed places. And we're proud of that too. Come visit us and hopefully you will soon call Ridgeland "home".
