

THE WATER DEPARTMENT WILL BE  
FLUSHING HYDRANTS MAY 1, 2025 –  
MAY 31, 2025.

YOUR WATER MAY APPEAR  
DISCOLORED. THIS IS NORMAL AND CAN  
EASILY BE CORRECTED BY LETTING YOUR  
WATER RUN FOR A FEW MINUTES. WE  
ESPECIALLY URGE YOU TO CHECK YOUR  
WATER BEFORE WASHING LAUNDRY.

THANK YOU!
