### TOWN OF RIDGELAND

#### ADDENDUM #1

The following information and attachments will amend, modify, and/or clarify the bid documents for the Town of Ridgeland's SC 336 Decorative Crosswalk Project. Please incorporate these items into the bidding documents for this project. Please acknowledge receipt of this addendum on the bid proposal form.

The following has been revised for two decorative crosswalks instead of one decorative crosswalk:

- Description of Work – This replaces the “Description of Work” on page 2 in the Request for Bids document:

The project consists of installing two raised decorative crosswalks on SC 336 (W. Main Street) at the United States Post Office, located between S-66 (Floyd Street) and S-67 (Perry Street). The project includes new signage, pavement markings, and raised asphalt crosswalk with brick imprint.
